Mastercard Foundation and Africa CDC announce \$1.3 billion vaccine initiative

By Zamira Rahim and Stephanie Busari, CNN

🕒 Updated 1701 GMT (0101 HKT) June 8, 2021

Four pillars support the Saving Lives and Livelihoods Programme

Focus of Partner support

Saving Lives and Livelihoods is a joint programme between Africa CDC and the Mastercard Foundation with four pillars of support

Pillar I

Purchase at least 50M COVID-19 vaccine doses

Pillar II

Support deployment of COVID-19 vaccine doses

Pillar III

Strengthen vaccine manufacturing of human vaccines

Pillar IV

Strengthen Africa CDC's capacity and capabilities

Collaborative mindsets to address the Programme Principles

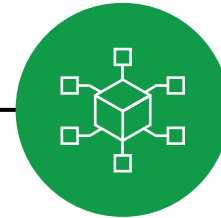

1 Improve Member States' long term health capabilities

2 Invite consortia to cover Call for Proposals' activities across whole geographical Lots

3 Collaborate closely with national governments, and existing partners on-the-ground

4 Leverage and build upon existing tools and systems in place

Agenda

1. Brief description of the Programme

2. Overview of key components of the Calls for Proposals

3. Q&A

Four RFPs have been published to support the Programme

The screenshot shows the header of an RFP document. At the top left are the logos for African Union and AFRICA CDC (Centres for Disease Control and Prevention). At the top right is the Mastercard Foundation logo. The main title is 'SAVING LIVES AND LIVELIHOODS' in large white letters on a dark red background. Below this, it reads 'THE AFRICA CENTRES FOR DISEASE CONTROL AND PREVENTION (AFRICA CDC) PROGRAMME TO SUPPORT MEMBER STATES TO ROLLOUT COVID-19 VACCINATIONS'. Further down, it says 'SUPPORTED BY MASTERCARD FOUNDATION' and 'OPEN CALL FOR PROPOSAL FOR'.

Setting up and managing of COVID-19 vaccination centres, training, and recruitment of vaccinators

Set up and operate new CVCs, and expand existing ones

COVID-19 safety surveillance

Establish a safety surveillance network for monitoring and reporting adverse effects of COVID-19 vaccinations in Member States

COVID-19 Risk Communication And Community Engagement (RCCE)

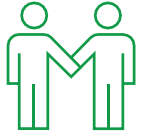

Develop and put in place communication strategies to increase the vaccination rate in Member States

Implementation research on COVID-19 vaccine rollout

Assess the impact of the Saving Lives and Livelihoods Programme on Member States' rollouts

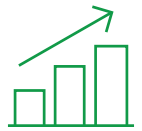

There are five eligibility criteria for Applicants

Be an **entity with legal personality**

Not be a governmental organisation

Be a **not-for-profit organisation**

Be an **Indigenous African Organisation with headquarters in Africa**

Be **directly responsible** for the preparation and management of the action with their Partners, not acting as an intermediary

Lead Applicants and their Partners are **required to meet these criteria**

Funding recipients may subcontract to organisations which do **not necessarily need to meet the criteria**, but are **subject to the procurement rules** set out in the Contracting Authority's standard contract and policies

Rules have been defined to frame the application process

There are **five Lots** based on the five African Union regions

- At a minimum, Applicants **must apply for a full Lot**
- Applicants may apply for **more than one Lot**
- **No organisation may appear more than once** as an Applicant or Partner under the same Call for Proposals for the same Lot
- Applicants may **apply alone or with Partners**

Process and approximate timeline for selecting Level 2 Partners

Timelines and dates are subject to change
