Wearing a face mask CORRECTLY can help prevent the spread of #COVID19 to others

Take action to slow the spread of #COVID19 by wearing a face mask in public, CORRECTLY.

**DO** make sure the mask covers your nose and mouth completely

**DO NOT** wear the face mask on your neck.

**DO NOT** wear the face mask under your nose.

**DO NOT** let children under 2 years old wear face masks.

In order to slow the spread we must continue to wear masks correctly, keep at least 6 feet away from people and wash our hands frequently.
