Background Information

The total number of cases of COVID-19 is approaching 2 million globally. With several confirmed cases in 52 African countries, Africa CDC is working with Member States to ensure appropriate response to the outbreak in their countries. The Director of Africa CDC will provide critical update on efforts by Member States, support from partners and other countermeasures taken to minimize fatality due to the disease in Africa.

Here are basic things to note about tomorrow's briefing.

- Journalists will be allowed to ask questions directly online. If you have a question send your name and the name of your media house to WhatsApp # **(+251 945 502 310)**, the following emails (GwehN@africa-union.org, molalett@africa-union.org) and they will be taken by the moderator.
- Journalists who cannot ask questions directly online should send their questions to the same number or email addresses.

Journalists are invited to connect and attend the press briefing on Thursday, 16 April 2020, at 1.00 p.m. East Africa Time.

Media inquiries:

Mr Molalet Tsedeke, Tel: 0911-630631; Email: molalett@africa-union.org; Directorate of Information and Communication; AU Commission

About the African Union

The African Union spearheads Africa's development and integration in close collaboration with African Union Member States, the Regional Economic Communities and African citizens. AU Vision: to accelerate progress towards an integrated, prosperous and inclusive Africa, at peace with itself, playing a dynamic role in the continental and global arena, effectively driven by an accountable, efficient and responsive Commission.
