TRAVEL GUIDE

Travellers must endeavour to check the test requirements of transit and destination countries on xchange.panabios.org or www.africacdc.org/trusted-travel to ensure that their tests remain valid for the duration of their full trip.

Part One

Traveller's Manual for Exiting Kenya

1

Traveller visits trustedtravel.panabios.org to create a TrustedTravel Account with their:

- First Name
- Last Name
- Email Address
- Phone Number
- Password

2

Traveller logs in with the the details used in the account creation via trustedtravel.panabios.org

- Username as the email address
- Password as the password chosen

3

Once your login is successful, you will be sent to the Traveller dashboard with the following menu to your left:

- Trusted Labs
- Tests
- Check In

4

Select **Check in** under Check In to begin TC generation process

5

Select the departure and destination countries and click next to proceed

6

- Under selection method pick **select lab tests (TT)**
- Proceed to a **Select matching lab test you have taken** from the dropdown
- Click save to continue

7

Provide travel details (airline name, seat, flight and passport number) as requested in the form and click on save to proceed to generate a TC

8

A TT code is generated for traveller. The Traveller can copy the TC just above the 2D barcode or Download the code and present on travel when requested

Part Two
