

## **CONSULTANCY SERVICE TO UNDERTAKE AFRICA CDC MID-TERM REVIEW (MTR) OF THE STRATEGIC PLAN (2023-2027)**

### **REQUEST FOR EXPRESSIONS OF INTEREST**

**LOAN NO./CREDIT NO./ GRANT NO.: IDA-E1110**

**REFERENCE NO.: ET-AUC-507698-CS-CQS**

**(CONSULTING SERVICES– SELECTION OF AN ACADEMIC INSTITUTION)**

**Country: African Union**

**Name of Project: Africa Centres for Disease Control Support Program to Combat Current and Future Public Health Threats Project (P178633)**

The African Union has received financing from the World Bank toward the cost of the Africa Centres for Disease Control Support Program to Combat Current and Future Public Health Threats Project and intends to apply part of the proceeds for consulting services.

The consulting services (“the Services”) include the development and deployment of a comprehensive and robust methodology for conducting the Mid-Term Review (MTR) of the Africa CDC Strategic Plan (2023–2027). This involves designing the review approach, guiding data collection and analysis, and leading the preparation of reports that provide evidence-based findings and actionable recommendations. The consultant will facilitate validation of key documents such as the inception report, MTR framework, tools, draft and final reports, and an updated organizational learning agenda. Additionally, the Services encompass providing technical leadership throughout the review process, ensuring inclusivity and alignment with Africa CDC’s institutional goals, collaborating closely with internal teams and regional stakeholders, and preparing dissemination materials including summary presentations to support strategic decision-making and adaptive implementation of the strategic plan.

The detailed Terms of Reference (TOR) for the assignment can be obtained at the address given below upon the submission of a written request to the address below. The ToR document will be sent by email upon request.

The African CDC now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

- a) Qualifications and experience of the firm; such as Core business and years in business**
- b) Relevant experience of the firm related to the assignment**
- c) Technical and managerial capability of the firm**

Key Experts will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to Section III, paragraphs, 3.14, 3.16, and 3.17 of the World Bank's "Procurement Regulations for IPF Borrowers" July 2016 Revised February 2025 ("Procurement Regulations"), setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

A Consultant will be selected in accordance with the Consultant Qualification Selection (CQS) method set out in the Procurement Regulations.

Further information can be obtained at the address below during office hours 8:00 to 17:00 hours, Addis Ababa Time.

Expressions of interest must be delivered in a written form following the above shortlisting criteria to the address below (by e-mail) before **5<sup>th</sup> September 2025** at 11:00 Hours Local Time, Addis Ababa, Ethiopia.

Africa Centres for Diseases Control and Prevention,  
Supply Chain Division  
Administration Directorate  
Lafto Square, Haile Garment,  
Africa CDC Office, John Nkengasong Building Tower, 4th floor, Room No. 408

**For clarification and requesting for ToR:**

E-mail: **[Tender@africacdc.org](mailto:Tender@africacdc.org)** and  
**[ZemenuA@africacdc.org](mailto:ZemenuA@africacdc.org)**

**(Please submit your request for the ToR to both emails)**

Africa CDC is a continental autonomous health agency of the African Union established to support public health initiatives of Member States and strengthen the capacity of their public health institutions to detect, prevent, control and respond quickly and effectively to disease threats.
